

December 2007 USAGTT Region 4 Newsletter

2007 World championships

The US team had a great competition at the 2007 World Championships. They won the gold medal for the women's team tumbling, the silver medal for the men's team double-mini, and the bronze medal for the women's team double-mini events. Kaci Barry won the bronze medal for individual women's double-mini and Kalon Ludvigson won the bronze medal for individual men's double-mini. The women earned a spot in the next Olympics in trampoline and the men are waiting to find out if they have received the 16th spot in the Olympics. The Region 4 athletes who competed in World Championships were: Stephen Raymond, Josh Vance, Andrew Muzarrelli, Sarah Prosen, Jeffrey Brown, Michael Devine, and Brittany Dircks. Congratulations to all of them on a great job!

2007 World Age Group Games

The athletes at the World Age Group Games also represented the US well earning 17 total medals. The Region 4 athletes earning

medals are as follows: Maurice Dunker – gold medal for 13-14 boys tumbling, Aaron Cook – bronze medal for 13-14 boys tumbling and silver medal for 13-14 boys double-mini, Tristan Van Natta – silver medal for 11-12 girls double-mini, KJ Heger – finals for 13-14 boys trampoline and 13-14 boys synchro-trampoline and finals for 13-14 boys double-mini, Jane Truster – finals for 13-14 girls synchro-trampoline, Kristin Waligora – finals for 17-18 girls double-mini and 17-18 girls tumbling. Congratulations to these athletes on a job well done!
